

How to meet people where they are.

How we benefit the socially deprived.

Is involvement in a political party worthwhile.

Dealing with the way things are.

Link to local issues.

Make it something positive rather than doom and gloom.

Get involved with local politics. Don't necessarily need to affiliate to a party.

Do things locally.

Be innovative.

Real problem is lack of confidence.

Build consensus.

Transition hijacked by Totnes, Stroud middle class.
